

HAZARD MITIGATION ACTION PLAN

PUBLIC NOTICE

October 7, 5:30 p.m.

ATTEND MEETING AT

Hopkins County Courthouse

118 Church St. Sulphur Springs, TX 75482

TAKE THE SURVEY

<https://tinyurl.com/HopkinsCountyHMAP>

The County of Hopkins is updating the Hopkins County Hazard Mitigation Action Plan (HMAP or Plan). The Plan will address natural and human-caused hazards that affect the area. The goal of the Plan is to minimize or eliminate the long-term risk to human life and property from known hazards through effective mitigation.

Hopkins County will hold public meetings to gather community input for developing the HMAP. The purpose of the public meeting is to provide a project overview from the County's Office of Emergency Management and H2O Partners, Inc., consultant to the project, to solicit information from community members.

Public Meetings and Survey will provide the community with the opportunity to:

- Collaborate with the County during the planning process
- Identify areas within the County that are prone to the impacts of natural hazards
- Discuss proposed solutions to reduce risk
